PASSPORTS REQUIRED TO TRAVEL IN/OUT OF THE UNITED STATES

Effective June 1, 2009 the U.S. Government's Intelligence Reform Bill requires all US Citizens to carry a valid passport for all air and sea travel to or from the United States. Exceptions: Puerto Rico and the US Virgin Islands.

What does this mean to YOU?

- **Everyone** is required to have a valid Passport, if traveling in or out of the United States. First and Last names must match your travel documents exactly. Travel may be denied if they do not match.
- For Information on obtaining or renewing a Passport, visit the State Department's web site at http://www.travel.state.gov/passport/passport_1738.html.

It is Travel Concepts recommendation that you avoid last minute preparations and obtain your passport as early as possible. Currently the processing time is running approximately 4–6 weeks!

Passports, once issued, are valid for ten years. If you're applying for the first time the cost is \$100.00/ for renewals the cost is \$60.00. Please note that pricing is not guaranteed and subject to change.

Once you have your valid passport, the doors to the world are open and the only boundary is your imagination! You may consider traveling or cruising to Europe, South America, Australia, Asia...and *Journeys Beyond Your Expectations!*™
